On behalf of all of the members of the Devola Multi-Use Trail committee, I wish to thank the Marietta Rowing and Cycling Club for their generous contribution to the our trail building efforts. Donations such as this one from our local community, not only provide capital vital to our success but also provide tangible evidence of the continued support and involvement by the Marietta community. As we continue to seek grant funds to extend the trail, we most assuredly will make mention of the enthusiastic support of our local community and of the Marietta Rowing and Cycling Club in particular. Thank You.
