Lockmaster's House: work party Sat 1/21/17 10AM to move stuff out of the way so improvements can be made. Peter noted there is a roof leak; he will contact Jon Hupp about repairs. The city plans to seek funding to dredge the Muskingum River in front of the Lockmaster's house.

Dan Jones had a letter to the Editor published in the Times, it explained how we use the Lockmaster's House, how our efforts have saved it from further decay and the only expense the city of Marietta incurred was renting a dumpster when the inside mess was cleared away. Dan noted the many hours of sweat equity and money the club has invested in making it a safe building.

Holiday Lights Tour was attended by about 62 riders. The weather was great. The police had not been alerted ahead of time but stepped up to man the intersections so riders could safely cross.

In February we will have a social gathering and dinner; Missy will have volunteer sign-up forms for RRR. Hope to see many there! February 15, 2017 at 6:30PM Ralston house
