**Club's Future:** A zealous discussion ensued regarding the president's and secretary's vacancies upon the departure of Dan and Teresa. An Ad hoc committee was formed consisting of Peter Prigge, Paul Lewis, Roger Patterson and Marie Ralston to discuss the following concerns and to report on them at the November meeting:

- If MRCC club disbands/dissolves, make sure the Marietta Community Foundation adheres to the club member's wishes in regards to finances.
- Possibility of merging with another cycling club (i.e. Mountain bike club, Blennerhasset Bike Club)
- MRCC club is a corporation, which means 5 board members are needed as a non-active club
- Turn over River Rendezvous to another club
- Find interested parties to fill the vacant offices

**Holiday Light tour:** not a MRCC function but members are willing to assist

**Harmar Boat Club:** They had one turning race, a race was held last week and there are 2 to go. A lot of new crew members.

**Trail Extension Engineers Report:** MRCC club consensus is members are not happy with the engineers. A letter was sent to express club concerns. No response from engineers. A copy of the letter will be sent to the Muskingum Trustees. A public meeting will be scheduled and announced. All members are encouraged to attend.

**Lockmasters House:** nothing to report

**New Business:** George Broughton will have a new 6,000 sq. ft. building opening on July 1, 2019. MRCC members are welcome to hold meetings there. Restrooms and heat will be available.
