Old Business

Lockmaster's House: Peter and John are shoring up the upstairs floor with braces and plan to put down plywood. At this time they prefer to work as a pair and will call in the reinforcements as needed.

Harmar Boat Club: High school meets are moving more and more to Dillion Lake as this venue continues to gain support as a premier rowing facility. Regionals and nationals are in the works. Peter will be getting us info on how to volunteer, with an on line sign-up sheet.

New Business

Devola Multi-Use Trail: A new smaller grant to the state of Ohio which would provide for a bridge railing is in the works.

River Rendezvous: Per Melissa, 65 applications had been received including some long distant applications from Oregon, Virginia, and Georgia. Missy has ordered t-shirts in bright green, all restrooms will be open at the college dorm with only a \$2.00 increase in fees, a minimum number of 25 ride patches are being ordered, with a fee of \$5.00 , just to try and see if there is an interest. Letters have been sent to restaurants asking if they would like to provide a discount and a few have responded. Marie and Rick will be working on revised Que sheets. Dan Jones has requested we publish a deadline of 4:00 pm to pick up luggage in Malta.

College Boathouse Summer 2016: Closed due to upper level construction.

Upcoming Event: May 14th Spring Fling on the Hocking Bike Event-- two starts-- one in city of Athens, one at Eclipse. A flyer will be updated and emailed.
