

MRCC Minutes October 19, 2016

Meeting was called to order: 7:04 pm @ Lockmaster's House

Members Present: 12 Guest: 2

Minutes & Treasurer's Report were approved

Old Business

Lockmaster's House: Peter and John have renewed efforts to reinforce the second floor and are adding shelving

Muskingum River Tour: October 6th paddle had 4 boats with 5 paddlers

River Rendezvous 2017: Missy Shea, chairperson, has begun working on the ride

Harmer Rowing Club: Peter Priggee continues to attend meetings, reporting that the fall program has 2 eight person shells in the water, one male and one female. There are plans to have Midwest Regionals at Dillion and Nationals in 2018. Swings have been purchased to lift and suspend shells from the ceiling.

Triathlon: Participants were down to nineteen this year. Insurance is up to \$500 for the event. Costs appear to have been covered. After ten years of trying to grown the event, with participation falling, it was decided to end the event.

Devola Multi-Use Trail: No news on the ODNR grant to date. The Woolpert engineering firm is starting on the trail extension study

New Business

Bicycle Mobile: Thanks to our in house artist, Judy Lewis, a creative new bicycle mobile graces the Lockmaster's House!

New Members: Welcome to our new members Lisa Spears and Ron Bucholtz! Lisa has volunteered to help save our MRCC Facebook page. Members provided a brief overview of our club, its mission, projects and events. Current members also asked questions in order to clarify funds and expenditures.

MRCC Calendar 2017: Teresa will draft the calendar for 2017. Please review and consider what events you might like to see added or organized. Would others like to host meetings during the cold months—November-March?
